

# Share Your Story. Strengthen Our Community.

**MFAN's Military Family 360 survey** is the nation's largest independent research effort focused on understanding the lives of military families. By sharing your experiences, you drive real change — from congressional action to local support — shaping the future of our military-connected community.

Take the survey at [milfam360.org](https://milfam360.org)

## Why take the survey?

**Make a difference for your family and the entire military community.**

- **Confidential & Secure:** Your responses are always protected and never shared individually.
- **Quick & Convenient:** Complete in about 30 minutes. Start now and return when it fits your schedule.
- **Proven Impact:** Your honest input leads directly to change, from Congressional action to new local programs.

## What's covered?

**A 360-degree look at military family life, including:**

- Caregiving
- Child care
- Employment
- Family Relationships
- Financial Readiness
- Food Insecurity
- Health & Well-Being
- Housing & PCS
- Military-to-Civilian Transition

## Who can participate?

**Service members, veterans, and spouses or partners age 18 or older.**

- Active Duty
- National Guard
- Reserve
- Veterans
- Military Retirees
- Partners/spouses (current, divorced, surviving)

## Your Story Sets the Agenda

MFAN's research doesn't just sit on a shelf. It has brought critical issues to the national stage and influenced real outcomes. Leaders, lawmakers, and organizations rely on your feedback to guide actionable solutions.

## Together, your input inspired:

Military Housing Privatization Initiative's **Tenant Bill of Rights**

**Distribution of 1.5 million meals** to military families in need

New military strategies to **strengthen economic security**

**Congressional quality of life panel** for service members and families
